

VIEWPOINT GOOD NEIGHBORS

- where kindness lives next door

We're Here to Help.

Who we are: A nonprofit volunteer group of neighbors helping neighbors.

Who we serve: Residents who might like some companionship or a helping hand, especially those living alone or with no family nearby.

What we do: We can make periodic check-in calls or stop by for a visit. Run errands. Get your mail. Pick up groceries. Deliver a home-cooked meal. Pull your trash/recycling bins in & out. Take you to Viewpoint events or activities. Do light chores. Whatever! If we can't help you, we'll help find an outside resource that can.

What we charge: Nothing! But we're happy to accept donations so we can do more for our neighbors.

How you can help: Volunteer. Donate. Refer neighbors to us.
